-

About Us?

The Valley Law Group is expanding! Our team of experienced attorneys are passionate about guiding clients through life's most challenging transitions with skill, compassion, and integrity. From high-asset divorces and complex custody disputes to child support, spousal maintenance, and protective orders, we provide strategic advocacy tailored to each client's unique needs. At The Valley Law Group, we combine deep legal knowledge with a client-centered approach, ensuring that every client feels supported, informed, and empowered throughout the process. With offices in Phoenix and Gilbert, we are committed to delivering exceptional results and shaping positive futures for Arizona families.

Why Join Us?

We're seeking a Family Law Paraprofessional for a firm that stands out. At The Valley Law Group, you'll experience:

- **High-impact work with heart:** Represent clients in life-changing matters, from complex divorces to high-stakes custody disputes and asset divisions.
 - **Supportive, collaborative environment:** Thrive in a culture that values mentorship, teamwork, and respect.
 - **Leadership Opportunities:** Whether stepping into a mentoring role or contributing to firm strategy, you'll have meaningful influence.
 - **Career Growth:** As one of Arizona's largest family law firms, we offer unparalleled opportunities for career growth and advancement.
 - **Balanced flexibility:** A hybrid schedule means you can navigate your workload while prioritizing well-being and productivity.
 - **Competitive total rewards:** Attractive salary, bonus structure, benefits, and professional expense support.
-

What You'll Do

- Lead complex family law cases, including litigation, motions, depositions, and trial preparation.
 - Provide strategic counsel, negotiate settlements, and represent clients in hearings and mediations.
 - Mentor junior attorneys and work collaboratively with support staff, nurturing the next generation of talent.
 - Build strong client relationships through empathy, responsiveness, and superior communication.
